_____

II. Video Tape/DVD

In addition to the above documentation please provide us with a sample video recording of a recent performance *on your primary instrument*, along with a printed program. This should include some way of letting us know who you are and the kind of performance we should expect to see.

III. Online music diagnostic assessment

Please download and complete the diagnostic music assessment and turn in with your other materials. It is imperative that all information is correct to the best of your knowledge to preserve the integrity of the degree and of the program itself.

By signing below you acknowledge that all materials and information are accurate and best represent you as an individual. We will evaluate these materials and provide our response in a timely manner

I, _____, acknowledge that all information and documentation is accurate and provides a true representation of my experience and background in music. If any of the information above proves to be false I understand that this constitutes immediate dismissal from the music program.

Signed,

_____
