

Procedure For Requesting Changes To Primary Object Codes

Procedure For Requesting Changes To Primary Object Codes

To request a new primary object code for use in the Oracle GL & GA application, please submit an object code request form.

To request a change in the title of an existing primary object code, email Stephanie B. Mullins (smullins@uab.edu) in UAB Financial Affairs.

To request a change in the official definition of an existing primary object code, email Stephanie B. Mullins (smullins@uab.edu) in UAB Financial Affairs.
