

## Simple Design Outdoor Seating Made to Last

### Outdoor Living-Amazing Outdoor Furniture for Every Season

**Outdoor living** is growing; it gives you another room to furnish, decorate and enjoy. I love the idea of sitting outside near an [outside fireplace](#) - whether with friends or alone with a book or glass of wine. But will your **outdoor furniture** survive Mother Nature and designs that won't last?

#### Kipling Deep Seating

Let's face it, **garden furniture** sets need to be rust proof, weather proof as well as having a *simple design* and classic look. Outdoor living doesn't mean sitting on faded **garden benches** or rusted wrought iron chairs – for a [country home](#), lakeside or seaside home robust **outdoor fabrics**, materials and the way they wear are very important. And no matter what anyone says – simple design still matters.

## Marina Collection

Outdoor furniture with a simple design needs the cheeky smarts of uv resistant fabrics, raw materials that combine aluminum, wood and resin and take it to a new level, painted in weather proof paints, and available in gorgeous colors and designs.

## Dolphin

**Summer Classics®** has been creating simple design, innovative outdoor furniture for over 30 years. You can see their commitment to outdoor living with the level of detail and innovation in their materials and designs. The development of their raw materials for outdoor living garden furniture is one of the company's greatest achievements and assets.

## Oxford by Summer Classics

The 2012 Summer Classics Collections are out and as gorgeous as ever. I spoke with Summer Classics, here are details on their new 2012 Summer Classic Collections.

## Marina Outdoor Furniture

The Marina collection features a Sunbrella® custom outdoor rope using their exclusive yarns. The natural appearance of rope, with new mahogany finished frames are timeless and classic design features.

## Dolphin Sleek Hybrid Resins

Summer Classic has re-engineered their N-Dura™ UV-resistant synthetic resins and designed new collections using mixed materials like aluminum, teak, stainless steel, and acrylic-PVC fabrics. These amazing hybrid products have sprouted designs such as out Dolphin collection.

## Outdoor Fabric Magic

Summer Classics mixes durable hybrid synthetic resins with gorgeous fabric design for garden furniture. The result is outstanding craftsmanship and sleek designs. Not many companies can boast durable outdoor silk and raw linen looks. These amazing fabrics can weather the harshest environments and clean easily with household detergents to remove stains and mildew.

## Summer Classics

I love using the outdoor spaces as an extension of my home and I love using products that are beautiful, functional, long lasting, comfortable, high quality, and unique.
