

2019 Physicians' Alabama Opportunity Fair

Perdido Beach Resort

Sept. 14,
2019

You are invited to the 2019 Physician's Alabama Opportunity Fair (PAOF) to meet 75-100 primary care residents, third or fourth year medical students, and licensed physicians interested in relocating to rural Alabama. If your community is in need of primary care practitioners, don't miss this opportunity to visit with these interested physicians.

What is PAOF?

The 27th annual PAOF will be held at Perdido Beach Resort in Orange Beach, Ala., on Saturday, Sept. 14, 2019. PAOF is sponsored by 12 health care organizations interested in helping rural Alabama facilitate the excellent health care they deserve. PAOF is a chance for your community to showcase its resources in an exhibition atmosphere and to meet a large group of the future physicians of the state who are looking for employment.

WHO?

- Rural communities with fewer than 22,500 people
- Health care facilities located in those communities
- Practicing small-town physicians who are seeking partners

COST

Because of the generosity of its sponsors, PAOF only charges a \$500 exhibition fee for up to two attendees. There is a \$50 fee for each additional attendee. In addition to an 8' x 10' booth space, the fee includes a luncheon on Saturday to kick off the day's activities and a cocktail reception on Saturday afternoon, which provides an additional opportunity for you to interact with the physicians. Special room rates of \$159 at the Perdido Beach Resort are available for PAOF exhibitors.
